## 2006 SOLID WASTE SERVICES REMINDERS:

*All items must be at the curb by 7:00 a.m. on collection day.*

- ✓ **Recyclables in plastic bags are unacceptable for collection.**
- ✓ **Yard trim containers must have a County provided green label on them to ensure collection:** These labels are available at County libraries, by contacting the Division of Solid Waste Services at 240-777-6410, or by visiting our website at: [www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste).
- ✓ **Blue Carts:** Your blue cart isn't only for paper. Smaller cardboard boxes can be put in the cart for collection along with your household paper. Maximize your cart capacity by flattening boxes. Larger boxes can be set out alongside the cart for collection.
- ✓ **We Recycle Scrap Metal:** Items such as residential appliances, bikes, lawn furniture and other things from your house that are more than 51% metal can be picked up curbside on your recycling day. You must schedule this pick-up with us no later than 9:30 a.m. the business day prior to your collection day by calling 240-777-6410 or by visiting our website at: [www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste).
- ✓ **Help Reduce Litter:** Trash in plastic bags should be placed in rigid containers with tight fitting lids when brought to the curb for collection. Plastic bags alone are vulnerable to scavenging by wildlife which can cause litter in your neighborhood.
- ✓ **Join Our eMail Lists:** Holiday notification and other lists can be joined at: [www.montgomerycountymd.gov/solidwaste](http://www.montgomerycountymd.gov/solidwaste).
